During the summer of 2010 I had an accident involving third degree burns on my leg and foot. The hospitalization process was extremely painful and the bills amounted to very large amounts.

From the beginning Mr. Abraham Jaros received me as a friend would receive me. He was deeply involved in the day to day together with his colleague Mrs. Elizabeth Eilender. Both of them were on top of every detail and made sure I understood the implications of going under a legal procedure. I felt as a VIP client not only through their excellent service but also because of their friendship and compassion for my pain.

I can only speak highly of the firm and would recommend anyone who has gone through a personal injury not to doubt in calling Abraham or Elizabeth for advice or legal support.

Thanks again for your help! I am extremely happy!
