Dear Mr. Jaros:

This note is just a thank you for finalizing our recent law suit against a major hospital in the Bronx.

We understand that it was a very difficult case and that you handled it in a timely fashion.

We settled and are very happy at the outcome.

We would definitely pass on the law firm you are associated with but your name in particular to anyone we know having problems with a law suit.

You are an excellent lawyer and proof of settlement justifies this.

Once again thank you from both myself and my wife.

Sincerely
R. O. P.
