

Dear Elizabeth,

Looking back over  
2016-2017, one of the  
best things for me was  
having you champion  
my cause. You and  
your staff made me  
feel that I was in good  
hands. Your bravery in  
facing off against the  
behemoths State Farm / NY  
Uniform earned you lots  
of praise. - CK
