

July 2014

Dear Mr. Abraham and Mike,

Thank you so much for the great work you and your staff did for me. From the first time we met, I knew I could trust you and your firm to look out for my best interests. I could not have gotten through these most difficult times without your help and advice.

I will definitely recommend your firm to anyone I know that needs a lawyer.

Mike, thanks for always taking my call and being there for me through thick and thin. I consider you a true friend.

Thanks again for everything.
